## SUMMARY

Hard working individual who will get the job that I am asked to do done as fast as possible, all while keeping the quality of my work in mind. I do not mind working with other people, if anything, I think the task at hand can get done faster and with more efficiency. I'm always looking to learn and acquire new skills.

---

## EXPERIENCE

*Front end Cashier, Your Independent Grocer,  
January 2014-Present*  
2241 Riverside Dr, Ottawa, ON K1H 7X5

What I am required to do as a cashier at Independent is to help customers find the products that they are looking for, to help customers check out their groceries, run the overstock products back to the shelves and maintain a clean cash.

*Sales associate, Spirit Halloween, September 2012-  
November 2012 (seasonal)*

While working for Spirit Halloween, I was required to help customers find different products throughout the store, help customers try their costumes on, I also had to work in the back room organising inventory.

---

## EDUCATION

Graduated from Algonquin College through the Internet applications and web development program.

---

## SKILLS

My skills include the ability to work under pressure and work efficiently. I am a fast learner and can adapt to changing environments. I am also bilingual, therefore providing me with the ability to communicate with a wide range of people effectively. I am very passionate about development. I've learned I love developing websites and have acquired a lot of skill in front-end development.
